UR-2/57

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	University-Wide Requirements
I. Entering Freshman	1. Graduate of an accredited high school. If high school is not accredited applicant must take Colorado preadmission test and have recommendation of the high school principal. 2. 15 units of acceptable secondary work. 3. Upper 2/3 of the graduating class or satisfactory test data.
A. Residents	Same as above Colorado Preadmission Test for consideration of those not in the upper 2/3 of the graduating class.
B. Non-Residents	Same as above plus Scholastic Aptitude Tests from the College Entrance Examination Board.
II. Undergraduate Transfers	1. Graduate of an accredited high school. 2. 15 units of acceptable secondary work. 3. Upper 2/3 of the high school graduating class or satisfactory test data. 4. Be eligible to return to any collegiate institution previously attended.
A. Residents	Same as above plus: Must have a cumulative grade average of 2.0 Those with averages between 1.75 and 2.0 may be considered if they have not had more than two years of college work.
B. Non-Residents	Same as above plus: Must have a cumulative grade average of 2.5 or better. Those with averages between 2.0 and 2.5 may be considered.
III. Continuing Student	None
IV. Candidate for Graduation	None

University Wide

OIR-2/59

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	College of Arts and Sciences
I. Entering Freshman	12 Academic units distributed among the following: English (at least 3 units) Foreign Language Social Studies Science Math
A. Residents	Same as above.
B. Non-Residents	Same as above.
II. Undergraduate Transfers	No special requirements
A. Residents	
B. Non-Residents	
III. Continuing Student	First semester, 1.50; second and subsequent semesters, 2.00 for all work attempted. Students having at least a 1.25 average for the freshman year may enroll but will be on probation after the freshman year. A cumulative average of 1.5 is required. Students do not progress into the junior year unless they have an overall average of 2.0 and have completed all lower division curriculum requirements.
IV. Candidate for Graduation	124 semester hours with an average grade of at least C in all courses attempted. A minimum of 40 semester hours must be earned in the Upper Division. At least 56 semester hours including the senior year, must be earned on the Boulder campus. Must have 30 hours including 16 Upper Division hours with a grade of C or better in a major subject and 12 hours in one or more minor subjects.

College of Arts & Sciences

UIR-2/59

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	School of Business
I. Entering Freshman	Not Admitted
A. Residents	
B. Non-Residents	
II. Undergraduate Transfers	60 semester hours of college credit, exclusive of physical education, at least 48 of which are non-business with 6 hours of each of the following: English Language Math (algebra & math of finance preferred) Principles of Economics A 2.0 grade average for all work attempted. While registered in the College of Arts and Sciences the student must comply with that College's requirements, however, do not preclude transfer into Business when the student is able to meet the admission requirements of the school.
A. Residents	Same as above
B. Non-Residents	Same as above
III. Continuing Student	Student must maintain at least a 2.0 average for each academic year. Failure to do so results in suspension for a year.
IV. Candidate for Graduation	1. At least 120 hours, Physical Education activity courses are not included. (132 hours* required if student wants to complete both a degree program in Business and a 4-year ROTC program. No credit is given for ROTC courses unless 4-year program, including any required summer camp or cruise, is completed in full). 2. At least 60 nonbusiness hours. 3. At least 60 business hours including required core courses. (a) 18 hours either in a field of major interest or in a general business program. (b) 12 hours in freely elective courses in business. 4. A grade average of at least 2.0 on: (a) All work attempted at C. U.; and (b) All work in Business

* Only 120 hours required for 1958-59 seniors.

School of
Business

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	College of Engineering
I. Entering Freshman	10 academic units as follows: English 3 units Math 3 units Must include 2 units of algebra and 1 of plane geometry. Science 2 units Physics and chemistry preferred Social Studies 2 units 5 units electives (except physical education. Not more than 2 units of drawing, shop or other vocational credit).
A. Residents	Same as above. Students with subject deficiencies may be considered after taking placement exams preferably before high school graduation.
B. Non-Residents	Same as above
II. Undergraduate Transfers	No special requirements.
A. Residents	
B. Non-Residents	
III. Continuing Student	Students with less than a 2.0 average are under the jurisdiction of the Scholastic Deficiency Committee. May register for Summer Session in an effort to improve their grade point average, regardless of their standing in the regular school year.
IV. Candidate for Graduation	Not less than 142 semester hours of credit with an average grade of at least C in all work attempted. (May include only 14 hours of ROTC credit). The last two semesters must be earned on the Boulder campus. For a combined engineering and business degree, 48 hours in business courses with 18 hours in the business major field are required. In architecture 176 hours.

College of Engineering

UIR-2/57

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	School of Law
Entering Student	1. Above average personal qualifications 2. Completion of 90 semester hours of undergraduate work excluding physical education, ROTC and other non-theory courses. 3. The Law School Admission Test administered by the Educational Testing Service. 4. A 2.5 grade average in undergraduate work. Students with lower grade averages may be considered.
Transfers from other law schools	Same as above plus: 1. Overall grade average in the law school of 2.0 2. Be eligible to return to the law school
Continuing Student	Any student whose cumulative average at the end of any term or semester is below C in his letter grade and below 72 per cent in his numerical grade shall be excluded at the end of his next semester of School of Law attendance thereafter, unless by such latter time he has brought his cumulative average to C or 72 per cent.
Candidate for Graduation	1. Completion of 90 semester hours of credit with a grade point average of 2.0 or a numerical average of 72. 2. Completion of all required courses. 3. Completion of a research paper 4. Study in residence at an accredited law school for six semesters, the last two being at the University of Colorado.

School of
Law

OIR-2/59

University of Colorado
Requirements for Admission, Continuation, and Graduation
1958-59

Category of Student	School of Medicine
Entering Student	1. Completion of the following courses with superior grades: General Chemistry 2 semesters Organic Chemistry 2 semesters General Biol. or Zool. 2 semesters Physics 2 semesters English Literature 2 semesters College Mathematics 2 semesters 2. 30 semester hours in subjects such as Math, history, physics, biology, literature, chemistry, philosophy, classical languages, and political economy. 3.
